

Sorry Day Prayer

Dear Lord and loving Father

We thank you for your grace and mercy shown through your son Jesus Christ who came not to condemn the world but to save it

Today we take time to remember the children who were stolen from their families and suffered the loss of culture and identity

We acknowledge the grief and loss suffered by the many families who had their children stolen

Father we pray for those who were stolen and ask that you may bring hope and healing to each stolen child who are still struggling today as adults.

We pray for peace and comfort to be upon the families who are still waiting for their loved ones to return and ask that somehow Father that you may reunite these broken families.

We remember those who have passed away, never to walk on their traditional lands, feel their families embrace.

May you bring healing to the broken hearted, hope to the hopeless

And love to those who have never experienced true love.

As we grieve today with those who are grieving, may you grant us all hope for the future in Christ Jesus.

We ask all these things in and through the precious name of our Lord and saviour Jesus Christ. Amen

Prayer written and revised by Rev Michael Duckett 21/5/22
